I.

To the Surveyor at WELLINGTON.

's Name, s.s. "KAIONE".

QUESTION.

ANSWER.

With reference to my letter
of 17th November last, I shall
be glad to learn whether this vessel
is still laid up.

C. J. Blair

Date:— 27th February, 1934

This Dredger is still laid-up
at Wanganui and moored in proximity
to the Owners' works and is well cared
for being under the eye of the Harbour-
master and a Chief Engineer stands by
her.

I may add that she is for sale as
she is a dredger of the Fruhling type
and is quite unsuitable for river work
as it is impossible to keep her in the
centre of the channel (where she is
required to be) when the wind is cross
river - and the prevailing wind is
always so.
