QUESTION.

ANSWER.

Date:— 16th October, 1933

I shall be glad if you will ascertain and let me know what arrangements have been made for carrying out the Boiler Survey which became due last April.

In reply to my enquiry the Owners state (vide enclosed letter) that this vessel is laid up indefinitely and ask that the vessel be allowed to remain in class until the next Annual Survey, or if put in service before then, the Boiler Survey to be then carried out.
