9th, April, 1923.

Dalgety, & Coy, Ltd,
Sole Agents
WELLINGTON.

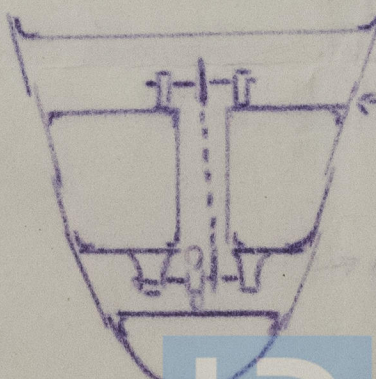

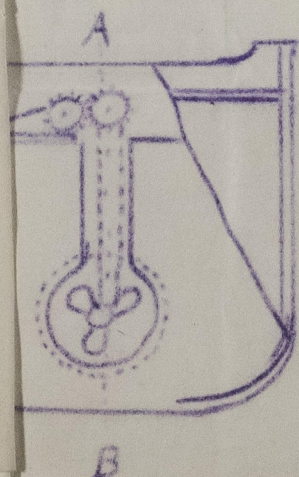

Sirs,

In reply to your letter of the 4th, inst requesting rough
of Bow Steering Propeller and vertical trunk with propeller
as fitted when the vessel was built by Messrs Fleming & Ferguson
Sley in 1918. At the owners request this opening in the bow was
, and the propeller removed as it was found of no use.

, Deep Tank aft, I did not test this tank at the special Survey
not used for water ballast, and the vessel has not been in use
arriving in New Zealand in Sept, 1919. I will notify the owners
at next docking if necessary.

Yours Faithfully,

A. Walker
