

"FOSSUR"

The class of this vessel was withdrawn in 1.49 with a red line. Reclassification is stated to be having consideration.

For Reclassification it will be necessary for a complete Special Survey of the machinery and boiler~~s~~ to be held. The examination of the screwshaft will become due in 8.50 and need not be held now as part of the Reclassification Survey.

IT IS SUBMITTED the Kiel Surveyors be advised accordingly.
