rt ved Korrespondance

Dear Sir,

re: Steam Trawler "Fossur".

I have duly received your letter dated 28th August, 1948. When the trawler is submitted for survey I shall instruct my surveyor to carry out the full requirements of Periodical Special Survey (C) and Boiler Survey.

However I beg to inform you that I think it likely that the trawler will be sold by a Public Auction, and that the present owners will not be able to have the classification carried out.

Yours faithfully,

*Handwritten signature in blue ink.*
