The First Special Survey No.2 of this steamer became due in February last, but the Owners have now cabled that they have decided to transfer her to the classification of the Norwegian Veritas.

In the circumstances the Classing Committee, who had the case before them on Tuesday, 16th instant, decided to give instructions for the vessel's character to be withdrawn from the Society's Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
