8th December, 1924.

Dear Sirs,

I have to inform you that an application has been received from Messrs. Arnesen, Christensen & Smith, of your Port, for duplicate certificates of test relating to the anchors and chain cables on board the steamer "BRAVORE".

As the vessel is now at your port, I shall be glad if you will make the requisite examination of the anchors and cable, and report by letter on their condition, identification marks, etc. with a view to the documents being issued.

At the same time you should state what fee in your opinion should be charged in respect of your services in the matter.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,  
CARDIFF.
