5th December, 1924.

Dear Sirs,

With reference to the classification in this Society's Register Book of your steamer "BRAVORE", I beg to acquaint you that early last month the Society's Surveyors at Christiania were informed by you that it was your intention to carry out the Special Survey No.2 of this vessel on arrival at a port in the United Kingdom.

The vessel is now at Cardiff, and the Society's Surveyors there report that Messrs. Arnesen, Christensen & Smith have informed them that they have received a cablegram from you stating that you have decided to transfer the classification to another Register.

In the circumstances, I shall be glad to learn for the information of the Committee what are your intentions regarding the classification in this Society's Register Book.

I am, Dear Sirs,

Yours faithfully,

Lundegaard & Stray,
FARSUND,
Norway.

Assistant to the Secretary.
