20th November, 1924.

Dear Sirs,

With reference to the Special Survey No.2 and Boiler Survey which became due on the steamer "BRAVOH" at the end of February and May last respectively, I have to acquaint you I am in receipt of a letter from the Society's Surveyors at Middlesbrough from which it appears that this vessel has left that port for the Bristol Channel where the surveys in question will be carried out. I shall therefore be glad if you will be guided accordingly and give the case the necessary attention should the steamer arrive in your district.

I may add that some indented shell plating requires to be dealt with at a convenient opportunity.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

BRISTOL CHANNEL PORTS.
