Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

17th November, 1924.

Dear Sirs,

With reference to the Special Survey No.2 and Boiler Survey which became due on the steamer "BRAVORE" at the end of February and May last respectively, I have to acquaint you I am in receipt of a letter from the Society's Surveyors at Christiania in which they state they are informed by the Owners that it is their intention to have these surveys carried out on the vessel's arrival in the United Kingdom. It appears from the shipping papers that the steamer arrived in the Tees on the 13th instant and I shall therefore be glad if you will give the case attention and advise me in the event of the above inspections not being held at this time.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,
MIDDLESBROUGH.
