

Enclosure

30th January, 1948.

Dear Sirs,

I have been asked by the Owners of the steamer "GONCALO VELHO" to keep you advised regarding the position of classification in this case.

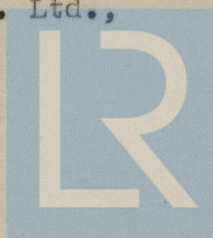

The Classing Committee today had before them a request received through our Lisbon Office for extension of class for six months with only temporary repairs effected to some recent fire and quay wall damage.

In reply the Lisbon Surveyors have today been informed by cable as per copy enclosed.

Yours faithfully,

Clerk to the
Classification Committee
