Dear Sir,

s.s. "ALAMO".

With reference to the entry in your return of vessels undersurvey for the quarter ended March last respecting the above named vessel it is concluded that the Boiler Survey is now receiving attention. It will be noted that the Special Survey will become due at the end of next month and any information regarding the carrying out of this inspection will also be appreciated.

I think it well to remind you that a Special Survey of the Refrigerating Installation is required in conjunction with the Special Survey referred to above.

Yours faithfully,
