Dear Sirs,

Steamer "ALAMO"

I duly received your letter of the 2nd instant respecting this ship, the contents of which are noted.

This case has now received the consideration of the Committee who have given instructions for the RMC notation to be deleted from the Register Book with a thin black line, indicating that the Refrigerating Machinery class has been temporarily suspended.

I shall be glad if you will inform the Owners accordingly.

Yours faithfully,

Assistant Clerk to the  
Classification Committee.

The Surveyors,  
VALPARAISO.
