n of Survey held, &amp;c., \_\_\_\_\_

The s.s. No.3 due 11-24 has been partly held by the examination of the bottom and rudder in dry dock, ranging of chain cables and examination of chain locker.

The Owners now state that the steamer is classed with the Veritas and ~~has~~ passed her special survey for four years in May last, and in these circumstances they do not see the usefulness in carrying out the special survey of this Society.

The year of grace expired 11-25.

It is submitted the class of the vessel might be withdrawn from the Register Book and three dots (...) inserted in lieu indicating withdrawal of class at the Owners' request.

Withdraw class.
