NEW YORK.

4th December, 1933.

Dear Sir,

I think it well to enclose for the consideration of the Committee a letter addressed by the Superintendent of the Barge and Ferry Service of the Canadian National railways to the Society's Surveyor at Vancouver, from which you will note that they have decided to withdraw their Fleet of tugs and barges from classification with this Society.

I enclose, at the same time, copy of Mr. Scott's letter to me in the matter.

I am, Dear Sir,

Yours faithfully,

Chief Surveyor,
U.S.A. & Canada.

The Secretary,

LONDON.
