Dear Sirs,

"LA PAZ" & "GLORY"

In reply to your letter of the 11th instant on the captioned subject, we have the pleasure to advise you now that the Owners of the M/V La Paz have decided not to keep the said vessel in class.

The M/V Glory is now away. Moreover, our Mr. Henry Pau is now in Hongkong and will be returning soon to the Colony. We shall then consult Mr. Henry Pau who will then contact you in this matter.

Yours faithfully,
