Enclosures.

21st August, 1930.

Dear Sir,

S. I have to acknowledge the receipt of your telegram of to-day as follows:-

"LAUREL GLASGOW REPORT 50695 SPARE STUDS AND NUTS
HAVE NOW BEEN FOUND AND ARE BEING PLACED ON BOARD
TODAY PLEASE FORWARD CLEAN CERTIFICATES HULL AND
MACHINERY"

I may say that a telegram has been received from the Society's Office at Stockholm intimating that the Engine Makers have given their consent to the machinery certificate being handed to the Shipbuilders. I therefore enclose the classification certificates for this vessel as desired.

I am, Dear Sir,

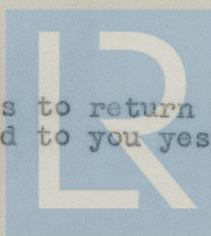

Yours faithfully,

pro Secretary.

The Secretary,

GLASGOW.

P.S. You will be so good as to return to this Office the certificates forwarded to you yesterday.
