The Screwshaft Survey became due in September, 1932.

The Owners have been communicated with from time to time about this survey, but have not replied.

The case was before the Classing Committee on the 9th June last, when they again decided to defer action until the Special Survey No.1 became due, namely in September last.

A further letter was addressed to the Owners on the 5th October last, to which no reply has been received.

The Classing Committee had the case before them on Friday, 1st instant, when they decided to give instructions for the vessel's Class to be expunged from the Register Book with a Red Line (12.33), indicating non-compliance with the Society's Rules.
