Special Survey No.1 due 9.33.

Inquiries in regard to the Screwshaft Survey were addressed to the Owners on the 9th November last year and 12th December and 7th February last without eliciting a reply. In consequence of this the case was placed before the Committee on the 28th March last and the Owners were then informed that the Committee concluded it was their intention to maintain the vessel's class, and they were again asked what arrangements were proposed to be made to have the Screwshaft Survey held.

No reply was received to this inquiry or to a further letter which was addressed to the Owners on the 1st May last.

In the circumstances the case was again submitted to P.T.O.
