Dear Sirs,

H. With reference to my letters of the 28th March and 1st May last relative to the survey of the screw shafts of the motorship "EMBANEF", to which I do not appear to have been favoured with a reply, I beg to point out that in accordance with the Society's Rules this ship became due for Special Survey No.1 at the end of last month. In the circumstances I shall be obliged if you will kindly let me know, for the information of the Committee, what arrangements are proposed to be made for the requisite inspection to be carried out with a view to the continuance of the vessel's class in the Society's Register Book.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.
