For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR.

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report; 24/5/32.)

Nature of Survey

When due

The class is subject to the front plate of the raised quarter deck being renewed .

The vessel has been laid up for some time.

The Boiler Survey became due last month.

In reply to enquiry the Amsterdam Surveyors now forward a letter from the Owners intimating that in view of the bad conditions they can no longer continue the vessel's class.

It is submitted the class of this vessel be withdrawn from the Register Book and three dots (...) inserted in lieu, indicating withdrawal of class at the Owners' request.
