

Lloyd's Register of Shipping.

INTERNATIONAL CONVENTION 1930 RESPECTING
LOAD LINES.

RENEWAL SURVEY IN ACCORDANCE WITH
ART. 14 OF THE CONVENTION.

(Port) G O T H E N B U R G.

(Date) 8th September, 1942.

I have to report that I have surveyed the Steel Screw
Motorship "VASAHOLM" of Gothenburg O. N. 7588
on the 7th instant.
~~the 7th instant.~~

I have compared the arrangements on board the ship with those given in the original freeboard report and I have found them to be in agreement therewith or equivalent thereto, and the whole to be in efficient condition.

The vessel has now been submitted to her Special Survey No.3 and the notation of ss Got. No.3 - 9.42 will be recommended.

The freeboard marking has been verified and found to agree with the freeboards given on certificate No. -- dated 5th May, 1939, which is ~~retained in this office.~~ retained in this office.

Sten J. Lussan
Surveyor to Lloyd's Register.
