Dear Sir:

In reply to your AIR-LETTER of the 3rd instant relative to the charge of Fls:125.00 on the Motorship "JACO" Curacao Report 3616, I wish to inform you that in this office there is a standard scale of fees to be charged to all vessels, irrespective of Ownership.

This scale of fees has been approved by the New York Office and in my opinion is fair and reasonable for this port.

I might add that for a seaworthy certificate Fls:100.00 is charged and for damage reports Fls:125.00, of course if there are extensive repairs to be carried out then this fee is increased accordingly.

Yours very truly,

E. J. M. M. M.

Surveyor.
