28 JAN 1948

Lloyd's Register of Shipping.

Port COPENHAGEN

the 6th. January 1948.

This is to Certify that I have

Surveyed the ^{Tailshafts} ~~Boiler~~ and Machinery of the Steel Twin St.

"JACO" of Copenhagen, 1344 tons gross while lying afloat
and on slip at Svanemølleværftet at Copenhagen.

and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report stating that all
recommendations made by me in connection therewith have
been carried out to my satisfaction, and that I have
Recommended that the record of LMC 1.48 and of Tail Shafts
seen 11.47

be made in the Register Book in the case of this vessel.

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly
ted, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances
ver to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any
in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its
ittes or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."

(1.)—10m, 1.43.
