S/S "VIRGINIA DOLLAR"

=====

Dear Sir,

With reference to your letter of the ("S")16/10/24.

We have now been advised in writing by the owners, that they do not intend to break the vessel up for the present.

We have received no further request for the carrying out of the Special Survey, and we understand the vessel is being prepared for sea.

Under the circumstances, it is evident that the owners have no intention of carrying out the S.S. and we, therefore, submit the case for the consideration of the Committee.

We might say, that the vessel has been re-named the "ANGIOLINA R" port of register Genoa

We beg to confirm cable sent you to-day as under:-

"VIRGINIA DOLLAR
