No. 11514

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—*Extract from Sub-Committee's Report, 24/5/92.*)

The Kobe Surveyors report this vessel placed in dry dock, the bottom coated, the requirements of the 2nd Special Survey No. 1, due 4.41, partly complied with, and minor repairs effected.

It is stated the Special Survey will be completed in April 1941.

The vessel has been generally examined at this time.

It is submitted the vessel appears worthy to remain as classed with record of survey 5.40.
