Dear Sir:

I am submitting herewith preliminary freeboard report on the Harima Dockyards Hulls Nos. 46, 47 and 48. Plans for these vessels have been dealt with in this office and copies of the approved plans are being forwarded by this week's mail.

As the builders have requested to be advised on the provisional freeboards, particulars of the assignment as now recommended for the approval of the Committee have been intimated to Messrs. Suzuki & Company.

It has been pointed out that the freeboards are subject to the bridge and poop being closed as required by the regulations for full allowance.

Particulars regarding sheer are enclosed herewith.

I am, dear sir,

Yours faithfully,

Secretary to the
 American Committee.

The Secretary,
