Dear Sirs,

Classen(S)

Tankers Constructed in France

Penhoet K.P.Q.18, J.18

La Ciotat, Nos.178, 179 & 181

RJS

I duly received your letter of the 28th ultimo from which the Committee regret to learn that you are no longer proposing to maintain five of your recently built tankers in the Society's class, and that Lloyd's Register class will be similarly dropped when the "IPHIGENIA" is put into service in about six months' time.

The necessary action for withdrawing the class from the Register Book is being taken and you will receive formal advice thereof in due course.

It is also noted that the "IPHIGENIA" will be classed only with the Bureau Veritas.

Yours faithfully,

Societe Maritime Shell,

PARIS.
