Dear Sir,

Classn(S)

RJS

I duly received your letter of the 5th instant regarding the delay which has occurred in reporting the cases of the new tankers "IPHIGENIA" and "IRIDINA". Your difficulties are appreciated and your explanation has been accepted.

In future cases, however, if there is likely to be any delay beyond that visualised in Circular 2001 we shall expect an interim explanation of the position.

These two cases are further complicated by the fact that we have now received a letter from the Owners asking for withdrawal of the Society's classification which, of course, cannot be assigned until your reports have been received and checked.

Yours faithfully,

Clerk to the  
Classification Committee

P. Fondeur, Esq.,  
MARSEILLES.
