Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

23rd October, 1935

Dear Sir,

H. I have to acquaint you that the class of the steamer "BOU-REGREG" is subject to the locking arrangements being fitted to the oil fuel bunker drain-cocks and it is understood from the Cadiz Surveyor that this vessel is to be drydocked either at Cadiz or Gibraltar shortly when the above matter will be attended to.

In the circumstances I shall be glad if you will give the case the necessary attention in the event of the work being carried out in your district.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

W.J. Matthews Esq.,

GIBRALTAR.
