Dear Mr. Sladden,

Copied

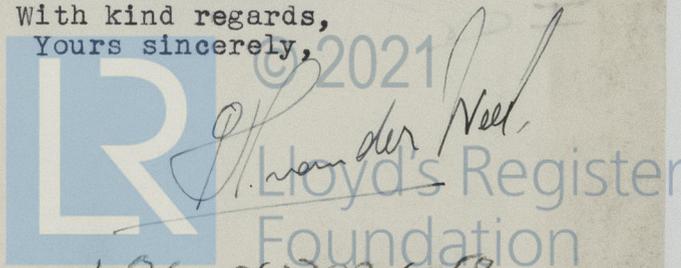

Your private letter of the 4th August about the above ship had my attention upon my return from holidays.

The Owners were again contacted and today we received their written reply saying that upon reflexion they have decided to leave matters as they are, that is not to revert to British Corporation Class.

I may add my personal thanks for the kind assistance you have been giving me in trying to bring this matter to an agreeable solution which, however, has not been obtained.

With kind regards,
Yours sincerely,

R.J.Sladden, Esq.
LONDON.
