Dear Mr. Sladden,

I thank you for your private letter of the 16th ult. on the above ships, and since I received your letter I have been trying to further contact Mr. H. de Boer of Messrs. van Uden.

Last Friday I had word with him and could explain that the ships would have to pass special survey, adding that such a survey would not entail a great deal of work.

Mr. de Boer will now further consider what decision to take and we may look forward to hear from Messrs. van Uden in a near future.

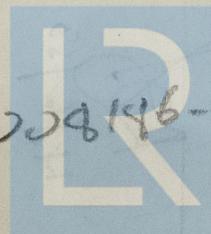

With kindest regards,

Yours sincerely,

J. van der Neel
