Dear Sirs,

With reference to the conversations you have had with Mr. Thos. C. Rolland, of 6, Laurence Pountney Hill in your City in connection with our A.M.V. "Tangará" ex-"Daylight", we understand from him that in order that you may appoint a surveyor in Rio de Janeiro for a reclassification survey it is essential that you receive a signed request from us as owners.

The present, therefore, is to give effect to your requirement and we shall be very grateful if you will take the necessary steps without delay as the vessel is due for dry docking within the next few days.

We understand that the survey fee will be approximately £200-0-0 plus expenses and we undertake to pay the amounts involved in due course upon presentation of the account.

We are sending you this letter to be delivered through the good offices of Mr. Rolland.

Thanking you for your service,

Yours faithfully,

MURRAY, SIMONSEN S.A.
