Action has been deferred from time to time in view of the vessel being laid up.

On the 26th September the San Francisco Surveyors forwarded a letter in which they stated the vessel was sold to the Charles Nelson Co., of San Francisco, who wrote they intended to make alterations on the hull of the vessel, submitting the alterations for the Surveyors' approval, and were therefore obliged to postpone the 2nd Special Survey No. 2. In the circumstances, the Committee deferred action for a short time.

In reply to inquiry, the San Francisco Surveyors state that the work on this vessel has not yet been commenced.
