due Donkey Boiler Survey due 9.21.
2nd Special Survey No.2 due 3.22.

Action in regard to the Donkey Boiler Survey of this vessel was deferred by the Committee in January last view of the vessel being laid up.

On the 10th August the San Francisco Surveyors stated they were advised by the Owners that the vessel still laid up at San Francisco.

A further letter has now come to hand from the San Francisco Surveyors in which they state the vessel has been referred to the Charles Nelson Co., of San Francisco, who write they submitting the alterations for the Surveyor's approval and are to make alterations on the hull of this vessel and are therefore obliged to postpone the 2nd Special Survey No.2.
