3rd January, 1922.

Dear Sirs,

I have to acquaint you that I am in receipt of a letter from the London Representatives of the Owners of the Bk. "DAYLIGHT" intimating that the vessel is now laid up and that it is intended to have the Donkey Boiler Survey carried out prior to her being again placed in commission. It is further stated that all arrangements in connexion with the matter will be made through the Owners' San Francisco Office, and I shall therefore be glad if you will be guided accordingly.

I am, Dear Sirs,

Yours faithfully,

(Copy to NEW YORK)

Secretary.

The Surveyors,

SAN FRANCISCO.
