71, Fenchurch Street, E.C.3.

31st May, 1937.

Dear Sir,

E.

With reference to your letter of the 5th instant, respecting the m.s. "HENRY DUNDAS", Hamburg First Entry Report No. 22296, I have to point out that the high voltage test of the generator has been made at 1500 volts, whereas it should have been carried out at 2000 volts in accordance with Appendix 2, Clause 6, of the Rules.

The test results are being retained in this Office in the meantime, pending the receipt of further information in regard to this high voltage test.

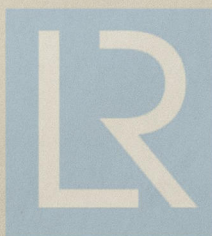

I am, Dear Sir,

Yours faithfully,

Secretary.

A. Chisholm, Esq.,

HAMBURG.
