Lloyd's Register of Shipping,

High Close, Wokingham, Berks.

30th November, 1942.

Dear Sir,

With reference to Glasgow Report No.65630 on Ailsa Shipbuilding Co.'s Engine No.185, I have to acquaint you that the Committee have had before them a report received from the Hull Surveyors to the effect that this engine has been satisfactorily fitted in the new tug "EMPIRE TITAN", which vessel has been assigned a class of 10001 For Towing Services, together with the appropriate notations recommended by the Surveyors.

I am, Dear Sir,
Yours faithfully,

The Secretary,
GLASGOW.

Clerk to the
Classification Committee.
