QUESTION.

ANSWER.

With reference to your letter of the 12th November last, I shall be glad to learn whether you are yet in a position to furnish me with any further information relative to the outstanding surveys of this vessel.

*L.R.*

Date:— 9th March, 1950.

Following receipt of your memorandum we have been constantly in touch with the Ministry of Marine and have only now had a reply. They state that it is not now desired to maintain the vessel in class as she has since become the property of the Greek Government and is now attached to the fleet. To avoid any misunderstanding I have addressed a letter to the Ministry requesting confirmation (copy attached) and will advise you further in due course.
