Odos Notara, 50a, 12th November, 1949.

Dear Sir,

M.S. "ORION" - No. 21044 in Register Book.

RECEIVED

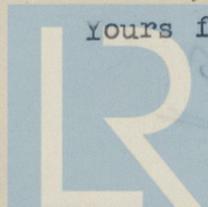

NOV 1949

With reference to your letter of the 16th September last I have to advise you it has been ascertained that she is owned by the Ministry of Marine. A letter has today been addressed to the Ministry enquiring whether it is their intention to retain the vessel in class and, if so, to propose arrangements for carrying out the outstanding surveys. I shall advise you as soon as a reply is received.

Yours faithfully,

L. G. Bone

The Secretary,
LONDON.
