Dear Sir,

M.S. "ORION"
No. 21044 in the Register Book.

I have to inform you that according to records in this Office no Annual Survey for Classification has been held on this vessel since she underwent Special Survey at Antwerp in August, 1947.

An Intermediate Survey of the machinery became due last month, and a Periodical Load Line Survey on the 28th ultimo. I shall be glad if you will endeavour to obtain and furnish me with information regarding the surveys in question.

I may say it is understood the vessel is owned by the Greek Government.

Yours faithfully,

Clerk to the
Classification Committee.

A. C. Bone, Esq.,
PIRAEUS.
