YOUR REF.

Dear Sir,

M.T. "Y. 126".

We have to acknowledge receipt of your favour, of the 23rd inst, and note further Survey is being held on this vessel, at Bristol, and you have instructed Mr. Stocks, the Society's Principal Surveyor, for the Bristol Channel to be present.

Whilst this inspection is being held at the request of the U.S. Army Authorities, we should be obliged if you could let us have a copy of the Report, in due course.

Yours faithfully,

C. Rowbotham
