Drillings at ends to be made in the vicinity of the peak bulkheads.

This ship is classed BS* (Fishing Purposes).

The CARDIFF Surveyors report (3.50) ship examined in dry dock, bottom coated, the requirements of PERIODICAL SPECIAL SURVEY TYPE 4 complied with and, on account of wear and tear, repairs effected to a few shell plates, frames and other items.

There are 30 fathoms of chain cable short of Rule length.

The shell plating has been drill tested with results as above, which have been previously approved - see letter dated 20.2.50. to Surveyors.
