This single screw water tank vessel for the Admiralty is a sister

27th May, 1942.

vessel to the "FRESHWATER" & "FRESHET".

Dear Sir, she omitted and the bottom has been coated with

With reference to Liverpool Report No. 117763 on the steamer "FRESHBROOK" and in particular to the class recommended in this case, it is thought well to refer to my letter of the 16th January last respecting a similar case, the steamer "FRESHET", Liverpool with the Report No. 115374:

It is concluded the thickness of the middle line strake of the inner bottom is .29", but I shall be obliged if you will enquire of the Surveyors and let me know whether this is so.

I am, Dear Sir,
Yours faithfully,

The Secretary,
LIVERPOOL.

Clerk to the
Classification Committee.
