Dear Sir,

In reply to the enquiry contained in your Classing Letter of the 21st inst. regarding the "ENIGMA", our Report No. 52626, we beg to state that the rating of the dynamos is 183 amps. at 400 revs., and it is regretted that owing to a typing error the rating was incorrectly given in our Report.

We are, Dear Sir,
Yours faithfully,
The Surveyors,

Per: -

The Secretary,
WOKINGHAM.

Enclosed for the Bureau are two copies of a letterhead memorandum dated and captioned as above. The memorandum was prepared by the Bureau of Investigation on November 22, 1946, and is being furnished to you for your information. The Bureau is currently conducting an investigation of the activities of the Communist Party, U.S.A., and its branches in the United States and its efforts to subvert the Government of the United States. The Bureau is particularly interested in the activities of the Communist Party in the field of labor relations and in the efforts of the Communist Party to influence the labor movement. The Bureau is currently conducting an investigation of the activities of the Communist Party in the field of labor relations and in the efforts of the Communist Party to influence the labor movement.

Very respectfully,
J. Edgar Hoover, Director
