15th November, 1948.

Dear Sir,

With reference to my letter of the 27th August last respecting the tanker "LIVINGSTON ROE" you will doubtless have observed from a subsequent Aruba report on this ship, No.1017, which was received in your Office on the 18th ultimo, that further cement boxes have had to be fitted at sea in way of Nos.3 & 5 starboard main tanks.

It is observed from the Shipping Papers that the vessel arrived at your port on the 11th instant and it is concluded you have taken the necessary action for permanent repairs to be effected as soon as possible as previously required.

Yours faithfully,

Clerk to the
Classification Committee

Wm. Bennett, Esq.,
NEW YORK.
