AIR MAIL

27th August, 1948.

S
Dear Sir,

I duly received your letter of the 23rd instant regarding the tanker "LIVINGSTON ROE" the contents of which were read to the Committee at their meeting today.

They feel that very little else can be done in the case except to use every endeavour to persuade the Owners to adhere or even expedite the proposed docking, and I shall be glad if you will keep the matter prominently in mind with this purpose in view.

Yours faithfully,

Clerk to the
Classification Committee

Wm. Bennett, Esq.,
NEW YORK.
