No. 598

Dear Sirs,

Motorship "HVIITSKJÆL"

Classn (S)

AI

Information has been received from the Bergen Surveyor to the effect that this Tanker has been renamed "BRA", and has been sold to Messrs. Kristoffer, David and Torleiv Annensen, Veddayagen, Haugesund, and is to be converted for cargo carrying purposes.

The Surveyor also states that it is not the intention of the new owners to maintain the Society's class and in view of the fact that class is being relinquished without the considerably overdue Special Survey being carried out under the supervision of the Society's Surveyors, the Committee at their meeting today gave instructions for a notation to be recorded in the Register Book indicating that the class of the ship has been expunged on account of non-compliance with the Society's Rules. Please inform the Owners accordingly.

Please let me know when the conversion to a dry cargo ship has been completed in order that the ship's name can be transferred from the Tanker section to the Cargo Ship section of the Register Book.

Yours faithfully,

c.c. Bgn. cc Pubs

Deputy Clerk to the
Classification Committee.

The Surveyors,
OSLO.
