

Received by Chief Ship Surveyor

Received from Chief Ship Surveyor

VESSEL'S NAME *Stet S. S. "ERA"*Rpt. *John*No. *17876**6 Sept 20.**Letter*

for the consideration of the Classing Committee.

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/6/02.)

Nature of Survey

*First Entry**See letter  
13-9-21*

It should be pointed out to the Greenwich Surveyors that the thickness of "G" Strake of plating in way of the bridge is clearly shown as .56" on the plan of Shell plating approved in the Glasgow office dated 24.3.20 and in the sketch of plating as fitted forwarded with their report.
