Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

25th January, 1921.

Dear Sirs,

I have to confirm the following further telegrams that have passed between us today, regarding the case of the steamer "P.L.M.12.", viz.:-

Received: "Your telegram yesterday steamer P.L.M.12.
"Damage repairs satisfactorily completed.
"Reporting today recommending record survey
"1,21."

Sent: "Steamer P.L.M.12. Please wire last date of
"survey."

Received: "Your telegram steamer P.L.M.12 last date survey
"10th inst."

In the circumstances the first entry cases of classification are being forwarded to Middlesbrough by tonight's post for delivery in the usual way.

In view of your last date of survey in this first entry case having been the 10th instant, I have to request that you will explain the reason for the delay in forwarding your reports.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
NEWCASTLE-ON-TYNE.
